

# Discipleship Bible Studies Starting September 26th

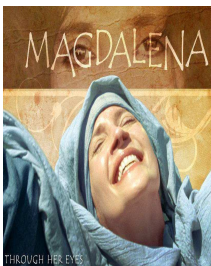

***If You Want to Walk on Water, You've Got to Get Out of the Boat*** - This study will help you answer Christ's call to greater faith, power-filled deeds, and a new way of knowing him. Through six sessions you will discover how to discern God's call, transcend fear, risk faith, manage failure, and trust God. Relating the story of Peter's walk on water in Mathew 14 to life today, John Ortberg invites you to consider the incredible potential that awaits you outside your comfort zone.

***Crazy Love*** - Have you ever wondered if we're missing it? The God of the universe loves us with a radical, unconditional, self-sacrificing love. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts — it's falling in love with God. Because when you're wildly in love with someone, it changes everything.

***Secrets of the Vine*** - Abundant living is what we were born for and is God's desire for us. God has a plan for each of us. His hand is at work in our lives at all times. This Bible study will take you through Jesus' teaching to His disciples in John 15. Your life can be a life of purpose, significance and abundant fruitfulness. Eight week study. Video-based by Bruce Wilkinson.

***Magdalena: Reflections of Hope*** - Do you need a fresh perspective on God's love? We invite you to journey with the women of our past to discover hope for your future. View the story of Jesus as seen through the eyes of Mary Magdalene. This study is distributed by the Jesus Film Project. Ladies only. Seven weeks. Video-based. No written work outside class.
